

PORT OF MARIEHAMN

TRAFFIC CHARGES 2021

Approved by the Board of Port of Mariehamn on 24.11.2020, valid as of 1 January, 2021

§1

For **compressed gas, bituminous mixtures and other petroleum products** imported to the city through the Port of Mariehamn a traffic fee of **EUR 1,47 / 1000 kilo** is charged.

§2

If doubts are raised regarding the contents, relevant customs regulations apply; as shall the customs tariff regulations apply at gross and net weight measurements and length measurements, unless a corresponding table in the appropriate tariff or elsewhere is provided.

§3

Freight receivers as well as the vessel's master or agent are obliged, if MHAB demands it, to verify the information required for determining the traffic charge by invoice or by other means approved by MHAB. The traffic charge shall promptly be settled to not risk being recovered by law.

§4

This rate of traffic charges is to be available at the public authority levying traffic charges.

Value added tax is added to the fee for vessels in domestic traffic.
