

PORT OF MARIEHAMN (MHAB)

Mooring and unmooring charges 2023

Approved by the Board of MHAB on 25.11.2022, valid as of 01.01.2023

For the use of the automated mooring system an infrastructure fee is charged of **220 €**.

For mooring and unmooring of vessels staying on the road or by the quay:

Vessels

NT	2023 EUR
0-5000	53,30
5001-6000	80,43
6001-7000	87,38
7001-8000	94,35
8001-9000	102,98
9001-10000	109,01
10001-11000	116,66

18001-30000	174,76
over 30000	213,89

The fees above are charged separately for mooring and unmooring the vessel.

Passenger ships in regular timetable-based traffic lying in the port for a short period of time, not including ships in cruise traffic or passenger ships similar to those in cruise traffic, pay only the mooring fee on their regular runs.

Mooring and unmooring fees are charged also for transfers and shifting.

For mooring and unmooring vessels over 1,000 NT it is mandatory to use staff provided by the Port of Mariehamn unless the automated mooring system is used.

The fee for manual mooring/unmooring between 18.00 - 07.00 is raised by 100 percent.

Value added tax is added to the charges for vessels in domestic traffic.
